THE MOST COST EFFECTIVE
SALES AND PROMOTIONAL
TOOL AVAILABLE.

Wine Find™

Collotype's Wine Find™ is a unique promotional tool that keeps working 24 hours a day!

Research shows that over 50% of wine consumption involves a new wine experience.

Enjoying new wines is one thing; remembering their details at the next purchase opportunity is another.

Wine Find™ solves that problem with its unique removeable reminder panel, turning your label into a silent sales person.
